SEISKAYA BALLET SUMMER PROGRAM

Welcome to Seiskaya Ballet. We are reinstating a two-month summer evening class program for 2021. This is one time when being in summer school is meant to be a lot of fun. First off: there is no specific dress code during the summer other than observing rules of good taste and good repair. Second: the annual registration fee does not apply.

The Seiskaya Summer Program is a great way to get acquainted with the Seiskaya teaching methodology in a relaxed atmosphere. Our classes are always open for viewing. Experienced staff and spacious studios will ensure that your experience is pleasant and rewarding. Classes are offered from Starting Beginner through Advanced with sufficient frequency to allow for several choices or added classes. Our instructors will be happy to discuss your child's progress at Seiskaya and suggest possible options for the Fall. The Directors and staff look forward to being of service to you.

Although a stringent policy, summer makeup classes are available only during the summer session; unless the missed class is during the last week of the session. In that event, an additional class will be added to the following month's card provided: 1) that the student purchases the appropriate number of classes based on the student's established frequency of attendance, and 2) the student takes the total number of scheduled classes offered during the month. *For example, a student attending once a week on Saturdays misses the last class meeting of a calendar month in which there were four Saturdays. The following month has five Saturdays. Seiskaya will recognize, with the purchase of five classes, the addition of one extra class which may be made up at any time during the succeeding month.* If, for some reason, a student elects to purchase less than the scheduled class meetings, there will be no makeup awarded. **Makeups are a privilege, and students are not permitted to "short" the tuition in order to utilize unused classes.** Students **are permitted without prior notice** to take another class section at the same or lower class level. In the infrequent event a class becomes too large because of makeup students, an instructor has the right to ask makeup students not to participate. **Expired cards cannot be honored for classes even if unused classes are shown on your card.**

Discipline - Behavior codes must be adhered to in order to maintain decorum. **The directors reserve the unrestricted right to dismiss any student for any reason whatsoever without prior notice.** All tuition and fees are forfeited upon notice of dismissal. **Class schedules and teacher assignments are subject to change, and students should periodically look for posted notices.**

Business considerations require that we receive prompt payment of tuition in order to maintain the lowest rates possible. Payment is expected in full at the **beginning** of the Summer Course. *Family Plan:* Students from the same family are permitted to buy a joint card in order to lower tuition costs. **All 90 minute classes are \$35 each and are not subject to a frequency discount.** We do not accept credit or debit cards. **The preferred method of payment is by check payable to: Seiskaya Ballet.**
